Work History

06/2016 - Present

Graphic Designer // Tribune Publishing // LA, CA
Design email campaigns for various offers for Tribune Publishing, including the LA Times, Chicago Tribune, and others.

+ InDesign // Photoshop // Illustrator
+ Interactive & Graphic Design

04/2016 - 06/2016

Senior Technical Writer // LearnBIG // Bellevue, WA
Developed scripts and storyboards for Computer-Based Learning for corporate management training.

+ Google Slideshow // Powerpoint
+ Writing // Storyboarding // UX

1/2015 - 6/2015

Graphic Designer // Amazon // Seattle, WA
Designer of advertising experiences from a variety of clients for hosting on the Amazon website, Kindle, and mobile sites. From rich media mini-sites to large-format print-style ads, I worked to maintain client brand integrity, while integrating into the Amazon shopping experience.

+ InDesign // Photoshop // Illustrator
+ Mobile // Tablet // Desktop
+ Interactive & Graphic Design

8/2015 - 12/2015

UX Designer // IMDb // Seattle, WA
I worked with clients such as major movie and television studios to design and develop rich media advertisements, premium title pages, and mobile experiences on IMDb.

+ After Effects // Flash AS3 // HTML&CSS
+ Mobile // Tablet // Desktop
+ Interactive & Motion Design

8/2012 - 12/2014

Interactive Designer // Amazon // Seattle, WA
Executed ads from a variety of consumer product clients for hosting on various Amazon.com platforms such as Kindle Wakescreens and mobile devices, and developed rich media experiences on the desktop site.

+ InDesign // Photoshop // Flash AS3
+ Mobile // Tablet // Desktop
+ Interactive & Motion Design

8/2010 - 7/2012

Senior Designer // AT&T // Bothell, WA
Executed advertising campaigns across the AT&T online experience as well as high-profile offsite placements. I provided guidance and art direction for the Online Advertising Design department as well as lead projects that involve advertising using rich media elements.

+ Photoshop // Flash AS3 // HTML&CSS
+ Interactive design // Motion design

4/2010 - 8/2010

Motion & Video Designer // AT&T // Bothell, WA
Created videos for AT&T's website. These include product sizzle videos, live action product demos, animated infographics, and tutorials.

+ After Effects // Final Cut Pro // Premiere
+ Video Production // Motion design

Education

BFA 1998 Rhode Island School of Design - Film/Animation/Video department
